

Freshfields Bruckhaus Deringer

We are delighted to have achieved Mansfield Rule Certification Plus status in both the US and the UK. This is the second time we have been recognized for our efforts in the US and the first time in the UK. The "Plus" status distinguishes that, in addition to meeting or exceeding the baseline certification requirements, we have successfully reached at least 30 per cent under-represented lawyer representation in a notable number of current leadership roles and committees.
