Primary practice

Capital markets and financing, Major projects

About Peter Hall

Peter draws on his experience and his relationships within the industry to push through complex transactions for clients with maximum speed and minimal fuss.

In recent years, he has carved out a successful practice in deals involving the financing of acquisitions of major utilities and infrastructure assets.

Recent work

- Advising Macquarie in relation to their acquisition of Kcom plc
- Advising Arclight Capital Partners in relation to their acquisition of certain North Sea infrastructure assets from Total and subsequent sale
- Advising iCON in relation to the refinancing of firmus energy and subsequent sale
- Advising Arclight Capital Partners in relation to the holdco financing of Bizkaia S.L.U and subsequent sale
- Advising PSP and OTPP in relation to the refinancing of Cubico Sustainable Investments
- Advising First Reserve in relation to their acquisition of Morrison Utility Services and add-on acquisitions and subsequent sale
- Advising a consortium led by Cheung Kong Infrastructure Holdings on its £2.4bn acquisition of Northumbrian Water Group, the UK-listed water company
- Acting for Ontario Teachers' Pension Plan on its acquisition of its interests in Brussels and Copenhagen Airports in return for the sale of its interest in Sydney Airport and a balancing cash payment
- Advising the lenders in relation to the refinancing of FCC UK's waste to energy business
