

Markus Paul

Partner

Corporate and M&A

A pragmatic and commercial lawyer who knows the private equity industry inside out. He drives transactions.

————— Chambers Europe

Primary practice

Corporate and M&A

About Markus Paul

Markus advises private equity funds and other financial investors on their transactions

Markus brings many years' experience to domestic and cross-border, public and private M&A transactions. He works with many of the firm's financial investor clients and has in-depth know-how of all aspects of buyouts and other private equity transactions.

With a strong track record of over twenty years of successful deal-doing across a wide range of industries and countries, Markus advises clients on transactions in a commercial, result-oriented and hands-on manner.

Markus speaks German, English and French.

Qualifications

Education

- Universities in Germany and Switzerland
