About Stephen Revell

Stephen specialises in privatisations, and debt and equity securities offerings, especially those with cross-border elements, and has worked on listings on over 15 different stock exchanges.

He also has extensive experience of cross-border M&A transactions and advising on regulatory and corporate governance issues. Stephen regularly trains boards on corporate governance best practice.

Stephen has acted for buyers, sellers, targets, financial advisers and management boards, and sees issues from all perspectives. He has broad sector experience and, as a 'hands-on' partner, gets fully involved in all drafting and negotiations.

Known for his global perspective and local knowledge, Stephen has practised in the United States, throughout Europe and in Asia, working on transactions in over 50 countries.

Recent work
