# About Konrad Schott

**Konrad specialises in banking and finance law – in particular, asset and project finance, including aircraft finance and leasing and structured investments.**

His recent work includes: Restructurings, M&A transactions and financings in the aviation sector; rolling stock and cross border lease financings; structured investment products and closed end funds. Konrad has a special focus on transactions in the aviation industry and other transport industries. As part of his general finance practice he advises on financial product insolvency issues.

Konrad speaks German and English.

## Recent work

- Advising **Deutsche Lufthansa AG** on more than 80 aircraft financings.
- Advising **Malaysia Airlines Group** in its restructuring in 2020 and 2021.
